BACKGROUND TO ST. MICHAEL'S HOSPICE LOTTERY

St. Michael's Hospice provides specialist services to support and enable the community of Hastings and Rother to live well with dying, death and loss. It costs over £14,400 a day to provide these services.

St. Michael's Hospice Lottery was set up 27 years ago to raise extra funds for St. Michael's Hospice. We have so far contributed in excess of £9 million.

The lottery has over 16,000 members who play the lottery every week. The cost is £1.00 per week, per entry.

The weekly top prize is £2,000 with £1,000 of other cash prizes.

We promote the lottery as a membership and when people join they can choose their preferred method of payment – either Direct Debit, cheque or debit card payments or payments to one of our lottery collectors. Members can have as many entries per week as they like.
